SPECIAL TO WOMEN
The most economical, cleansing and
germinal of all antiseptics is

Paxtine
A soluble Antiseptic Powder to
be dissolved in water as needed.
As a medicinal antiseptic for douches
in treating catarrhs, inflammation or
irritation of nose, throat, and skin
caused by feminine life has no equal.
For ten years the Lydia E. Pinkham
Medicine Co. has recommended Paxtine
in their private correspondence with
women, which proves its superiority.
Women who have been cured say
it is "worth its weight in gold."

Interesting Facts in India.
In recent researches at Benares, India, Prof. O. V. Miller of Bombay
says he has shown a large number of
records dating from 1700 to 1750,
which had been recently discovered in
the cells of the castle. These were
largely prior to the other matter
valuable to a study of Indian economic
history. The most interesting find,
however, was a proclamation written
in Marathi in the Modi script which
after narrating the qualities of the
British Raj, declared that he had
been vanquished and afterward the
dominions annexed by the Hon. East
India company. The document added
that if anyone should be dis-
posed to disagree with this or
desire to operate it, he would be
signed by order of Mountbatten Es-
quirement. The document added

Tasks for European Statesmen.
One hundred years ago the congress
of Vienna was at work in an endeavor
to readjust the map of Europe.
The same task that the European
statesmen will be called upon to per-
form when the present great conflict
is ended. Obviously enough, the ques-
tion of Poland constituted one of the
most perplexing problems before the
congress of Vienna, as it probably
will at the next great conference of
the nations following the present war.
A century ago, as now, the national
history of Russia added nothing
short of a challenge to the power of
the whole of Poland. And then, as now,
England was inclined to keep anxious
watch upon the European situation
west of Russia, and to oppose the
latter's plans for the annexation of
Poland.

Electric Battleground.
The United States is the first na-
tion to use electricity in place of
steam to propel a battleship. That
will be the motive power on the
dreadnaught California—where it will
be used according to a method that
has been thoroughly tested and per-
fected on the big 19,000-ton collier Ju-
piter, where it has proved most suc-
cessful. The advantages are many.
As the speed of a vessel run by elec-
tricity can be instantly changed, the
dangerous "radius" of the propellers
in heavy seas can be prevented. Then,
an electric-power plant occupies far
less space and weighs less than ma-
chine engines that produce an equal
amount of energy. Finally, the cost
of maintenance and repairs is much
less, and there is a great saving in
fuel. The new dreadnaughts will
ably have two plants; if one gets out
of order, the ship can still proceed by
the other.

14 Diplomas
Given To Pupils Of St. Catharines at 93rd Com-
mencement
The Commencement Exercises of
St. Catharines Academy were
held in St. Catharines Hall Tues-
day morning at 9:30 o'clock. On
Monday night a large crowd of
relatives and friends of the young
ladies attending school came in
on the night train, and in the
early morning hours of Tuesday
large crowds in buggies and
automobiles were seen wending
their way toward this famous
institution, and the number of
persons in attendance was much
larger than has been seen there
for many years.

The first number on the pro-
gram was a chorus by the vocal
classes. Then each of the eleven
graduates received a crown and
each of the Sub Graduates re-
ceived a laurel wreath. Then the
Overture "Marianne" by W. Wal-
lace with Miss Edith Cecil as
soloist, was rendered by the
Academy Orchestra. The duet
Militaire, was rendered in
pleasing style by Misses Julia
Kyle and Julia Polin on the pia-
no. The "The Last Word" by
The Miserere, from L. Trovatore
and Miss Leonarda, by W. Wal-
lace and Miss Edith Cecil on the
Corymbes and Miss Edith Cecil on
the Trombone, with accompani-
ment by Academy Orchestra, re-
ceived many favorable comments.
The vocal solos, "The Swallows"
by Miss Helen Carroll, The Ave
Maria by Miss Lucile Weisman,
and Inflammatus Est, by Miss
Evelyn Rose, were each rendered
in a strong voice full of melody.
The "Meditation De Thine" by
Miss Francis Kelly on the violin
and "An Den Fruhling" by Miss
Carrie Newton also on the violin
demonstrated that each of these
young ladies are rare artists,
with the Fiddle, and the Bow.

The songs "The Last Word"
by Miss C. Cassidy and Ole Miss
by Miss Cecelia Barber show
that these young ladies are ac-
complished in the art of elocution.
Miss Margaret Ward an accom-
plished musician rendered
"Scherzo A Capriccio" on the
Piano. The "Folk Dances" by a
number of little girls, in which
they sang "London Bridge is fall-
ing down" received several en-
cores.

Father L. F. Kearney delivered
a very eloquent address to the
Graduates, after which he con-
ferred the diplomas on the fol-
lowing young ladies: Misses
Leonora May, Edith Riser, Julia
Kyle, Julia Polin, Helen
Carroll, Francis Kelly, C. Cas-
sidy, Lucile Weisman, Mar-
garet Ward, Evelyn Rose, Cecelia
Barber. The following are Sub
Graduates, who will graduate
next year: Misses Margaret
Spaulding, Catherine Kelly, Nel-
lie Morrissey, Mary Timoney,
and Margaret Ogilvie. Misses
Mary F. Price, Carrie Dant
and Leora Welsh received Com-
mercial Diplomas.

to a fair crowd. Mr. Morrow

Fire Alarm
Citizens of the town were
alarmed last Monday when the
fire whistle sounded and it was
said that the residence of Mr.
W. Buckman was on fire. The
fire department rushed to the scene
but found upon their arrival
that the fire had been extinguished.
A coal oil stove had gotten out
of order and for awhile the
flame was beyond the control of
Mr. Buckman but with the aid
of other persons present all ex-
tinguished the flames and damage
was averted.

PENITENTIARY SENTENCE

Given Three in Circuit Court Trials At This Term

The Grand Jury adjourned
last Thursday after a session of
nine days. They returned into
Court the following indictments:
Malicious wounding, 1, detain-
ing a woman against her will, 1,
false swearing, 1, selling mort-
gaged property, 1, housebreaking,
1, chicken stealing, 2, petit jury
of 4, assault and battery, 1,
shooting on highway, 1, flourish-
ing a deadly weapon, 1, breach
of the peace, 1, furnishing liquor
to a minor, 7, selling liquor in
local option territory, 7. The
above one for false swearing was
against John Anderson colored,
who was tried out before the jury
yesterday and given a term of
not less than one year and two
days in the Penitentiary. It
was charged in the indictment
that Anderson swore falsely be-
fore the Grand Jury, "when they
were investigating the sale of
liquor in Washington county," at
the present term of court.

The above indictment for de-
taining a woman against her
will, was against John Smally
who was charged with detaining
a colored girl in the Texas
neighborhood. He was tried
yesterday before a jury in the
Circuit Court, but the jury failed
to agree on a verdict and were
discharged and Smally will
have to lay in jail until the Oc-
tober term of Court, unless he
gives bond for his appearance.

Five of the above indictments
for selling liquor in local option
territory, were against Fens
Grandy, and he was tried on all
five in the Circuit Court yester-
day and given jail sentence of
twenty days on three of them and
fines of \$60 each in the other two.

The indictment for malicious
shooting against Louisa Thorton
who was alleged to have shot
John Anderson in Springfield
about two months ago was
tried before a jury yesterday and
given a term of not less than one
year and two days and not more
than 2 years in the penitentiary.

Anderson and Thorton and
also Jack Rose convicted at this
term of court for killing Louis
Mead, all colored, were brought
out before Judge Thurman yester-
day and sentenced. In sen-
tencing them the Judge took
occasion to warn them of the
fact that their good or bad con-
duct while at the penitentiary
would tend to decrease or in-
crease the time they would have
to serve there. All three were
taken to the penitentiary at
Frankfort this morning by Sheriff
Ed Eddman and Deputy George
Powell.

There were some other milder
cases called for trial yester-
day but had to be continued
because of the absence of mat-
rial witnesses. If these parties
fail to give bond it is most likely
that these cases will be tried out
in the quarterly court.

A. J. V. charged with
having stolen turkeys from Mr.
Baker sometime last fall was
tried before a jury Tuesday and
acquitted. The question of tur-
keys getting mixed with other
cases, entered largely into the
cases and doubtless influenced the
jury both as to the question of
whose turkeys were in contro-
versy as well as to the question
of wrongful intent and honest
mistake.
